INTEREST FREE EASY PAYMENT PLAN FOR YOUR INFORMATION

A half yearly subscription to Nexus works out (ROUGHLY) at £3.44 per week (VAT inc), but an annual membership at £127.20 comes to just over £2.44 per week (VAT inc). Both less than the price of buying a daily newspaper.

To take advantage of the comparatively low weekly cost of an annual subscription to Nexus – see below.

With your application form – and this sheet – enclose your cheques (see table).

Your first cheque is made payable immediately and starts your membership off straight away. The next cheque can be made payable up to as much as 30 days later – and you can have a month again before the next one (or two).

For the actual amounts see the table below – tick whichever method is most convenient.

IF USING EITHER METHOD OF PAYMENT **PLEASE ENSURE ALL CHEQUES ARE ENCLOSED.**
